

28 June 2011

Dear Classmates:

Well, it's only been a year, but we are in the serious planning stages for our 2012 Mini-Reunion and cruise.

The reunion is an open house at the "Old Ranch" on old Route 30 on Friday, September 14th. We will have the back room only. On Saturday, the 15th we are having a pig roast at a site to be determined before our final mailing. We are hoping for an attendance of one hundred. We realize this is too far for some to come, but hope we can get a better turnout of those who live locally. We would love to have all classmates regardless of where they live to attend.

The cost at the Ranch will be whatever your bill is and the cost for Saturday evening will be less than \$20 per person. As usual, some of our local people are willing to put people up for a night or two. Just ask!

On a sad note, since our last reunion, we have lost classmates Janet Donaldson Ebinger, Hadley Jewell and Larry Loveland. Janet and Hadley were regulars that almost never missed a reunion. Janet still made it in spite of being in a wheel chair. They will be truly missed by all.

We have included a cruise agenda which continues to financially improve with the passage of time. The price for an outside cabin has dropped by \$200. We need your fully refundable deposit of \$100 per person by July 30th to lock in your room reservation. You will still receive all reductions in price that come through. If you are a maybe, please get your money in to take advantage of this offer. I believe you are allowed four to a room with reduced rates. This years prices for a balcony have come all the way down to \$2000 per person. Please e-mail me at bgray4280@embarqmail.com or call me at 330-345-6815 or write Bob Gray, 4892 Emalene Road, Wooster, OH 44691, and let us know how many to plan for.

Sincerely,

Bob Gray
